Chapter 17

Elevators And Warehouses

Application

1700.00 Application For Regularity. The owner or operator of any warehouse or elevator who desires to have such facility declared regular for the delivery of grain under the rules and regulations of the KCBT may make application to the Secretary for Declaration of Regularity. Such application shall be made on a form prescribed by the KCBT and shall be accompanied with a description of the facility, including its capacity, strength, and receiving and loading facilities. The application shall also be accompanied by a financial statement certified by an independent certified public accountant as of the end of the fiscal year most recently preceding the date of application. All applications shall be referred to the Elevator, Warehouse, Weight and Inspection Committee and the Finance Committee to determine compliance with the requirements of this Chapter. Such warehouses or elevators shall be declared regular by a resolution of the Board of Directors adopted by not less than eight (8) affirmative ballot votes.

Conditions

1705.00 Board Of Directors Prescribe. The Board of Directors by regulation may prescribe the conditions on which warehouses and warehousemen may become regular. In conformity with the provisions of Section 5a(7) of the Commodity Exchange Act, as amended, the Board of Directors, in the case of federally licensed warehouses and warehousemen, may impose only such reasonable requirements as to location, accessibility, and suitability as may be imposed on other regular warehouses and warehousemen.

1705.01 Effective Date of Regularity. For applications for regularity pertaining to a warehouse(s) that is not currently regular, the effective date of regularity shall be as follows:

- a. If the application for regularity is approved by the Board of Directors at a meeting held during a delivery month, the effective date shall be the first business day of the calendar month immediately following the month of Board approval.
- b. If the application for regularity is approved by the Board at a meeting held during a month that is not a delivery month:
 1. And the calendar month immediately following the month of Board approval is not a delivery month, the effective date shall be the business day following Board approval.
 2. And the calendar month immediately following the month of Board approval is a delivery month, the effective date shall be the business day following the last delivery day of such delivery month.

For applications for regularity pertaining to a warehouse(s) that is currently regular (regularity has not expired or been withdrawn, suspended or revoked prior to Board consideration of the new regularity application), and the application is for approval of a new operator of such warehouse(s), the effective date of regularity shall be the business day following Board approval.

1706.00 Conditions of Regularity. No warehouse or elevator shall be made regular unless it conforms to the requirements set forth in Rules 1706.01 through 1706.07.

1706.01 Licensed. The warehouse or elevator must be licensed as a public warehouse under the laws of the State of Missouri or Kansas, or under the United States Warehouse Act.

1706.02 Capacity. The warehouse or elevator must have a storage capacity of not less than 100,000 bushels.

1706.03 Facilities. The warehouse or elevator must be equipped with bulk receiving and loading facilities adequate for the prompt dispatch of business.

1706.04 Railway Connections. The warehouse or elevator must be so situated that it is connected by railroad tracks with one (1) or more railway lines within the switching district as described in railroad tariffs of the city in which the elevator is located.

1706.05 Financial Standing. The individual, firm, or corporation operating the warehouse or elevator seeking to be declared regular, shall be of unquestioned good financial standing and credit. Such individual, firm, or corporation shall have and maintain a minimum net worth as may be fixed from time to time by the Board of Directors, provided that the same is uniform in principle as to all individuals, firms, or corporations. The Finance Committee shall have full authority to determine at any time whether such net worth, financial standing, and credit exists and is being maintained.

1706.06 Compliance. The individual, firm, or corporation operating the warehouse or elevator seeking to be declared regular must comply with the rules and regulations of the KCBT and be a member thereof.

1706.07 Load-Out Capacity. The warehouse or elevator must be equipped to load covered hopper rail cars. The warehouse or elevator shall file with the Secretary a statement, stating in bushels, the eight (8) hour load-out capacity of the facility for a five (5) day work week. This load-out capacity must at least meet the minimum load-out required for deliveries on warehouse receipts. (See Rule 1218.00). Further, the warehouse or elevator shall notify the Secretary of any change in such load-out capacity.

1706.08 Notification, Change of Status. The member individual, firm or corporation operating a regular warehouse shall notify the Exchange in writing no later than 4:30 p.m. local time on the business day following the date when such member becomes aware of any requirement of regularity pursuant to the rules and regulations of the KCBT that is no longer being met. Such requirements include, but are not limited to, membership requirements under Chapter 2 and financial and suitability requirements under Chapter 17. Failure to notify the Exchange shall be deemed an act detrimental to the best interests of the Exchange and subject to disciplinary action under Chapter 14 of the KCBT rules and regulations.

1706.09 Revocation, Expiration or Withdrawal of Regularity. Any regular warehouse may have their regularity revoked by the Board if it does not or cannot comply with the conditions of regularity set forth in this Chapter or in Chapter 5 of these rules. Should the Board revoke the regularity of any warehouse, notice of such shall be posted.

Annual Renewal

1708.00 Regularity; Renew Annually. Each Declaration of Regularity shall expire each year on the 30th day of May. Application for renewal of such declaration must be filed in the Office of the Secretary at least thirty (30) days prior to such expiration and shall be processed in the same manner as the original application.

Requirements Of Regularity

1710.00 Bond. All regular warehouses or elevators shall file with the Secretary a copy of the bond(s), filed with and approved by the applicable licensing authority. All such bonds shall provide that the surety thereon shall notify the KCBT, without right of exoneration, by thirty (30) days' prior written notice of any change, expiration, termination, or cancellation thereof, together with a copy of any change made. Additional bonds may be required by the Board of Directors in such amount, and containing such conditions or provisions, as it may fix and determine.

1711.00 Insurance. All regular warehouses or elevators shall file with the Secretary copies of insurance policies covering all insurance filed with and approved by the applicable licensing authority. All such policies shall provide that the insurer shall notify the KCBT, without right of exoneration, by thirty (30) days' prior written notice of any change, expiration, termination, or cancellation thereof, together with a copy of any change made. If the policy requires periodical reports on stocks of grain on hand, certified copies of such reports shall be filed with the Secretary.

1712.00 Weigh-Up Or Measure-Up Requirements. All operators of warehouses or elevators regular under the KCBT rules must weigh-up or measure-up their facilities when requested by the Board of Directors.

1713.00 Records And Reports. Operators of elevators or warehouses regular under these rules shall make such reports, keep such records, and permit such warehouse visitation as the Commodity Futures Trading Commission may prescribe under Section 5a(3) of the Commodity Exchange Act, as amended. Such books and records shall be kept for a period of three (3) years from the date thereof, or for a longer period if the Commission shall so direct, and such books, records, and warehouses shall be open at all times to inspection by any representative of the Commission or United States Department of Justice. The owner or operator of each regular warehouse or elevator shall file with the Secretary a copy of all reports filed with the Commission as to kind, grade, and amount of grain contained in such elevator or warehouse, and shall supply, under oath, such other information as may be required by the Board of Directors.

Charges

1715.00 Elevator Charges; Delivery Grain. The Board of Directors may by resolution, from time to time establish and revise fees for regular elevators relating to grain delivered in satisfaction of futures contracts, including an elevation fee, a load-out fee, and an insurance and storage fee; provided that the effective date of such fees must be at least thirty (30) days after enactment to permit notice to the members.
